**Trademarks in the Post-Nuclear Age: The New Branding Requirements**

- How Twitter, Uber, LinkedIn and Facebook et al, have blown up our preconceptions of what a brand, particularly a design, should be.
- A history of branding requirements and concepts and how things have radically changed post the social media “blow-up”.
- How lawyers and law clerks must evolve beyond traditional roles in order to stay fluid, up-to-date and relevant.

**ABIGAIL SMITH  
ASSOCIATE, SMART & BIGGAR FETHERSTONHAUGH**

**Importance and Strategic Use of IP**

Intellectual property protection is crucial to the pharmaceutical industry. This presentation will discuss prosecuting and litigating pharmaceutical patents in Canada, including the regulatory regimes that mediate generic pharmaceutical market entry, as well as the role of trademarks in the pharmaceutical industry.
